**Suzanne Says - "I make my own choices now."**

Working with Kate on the program helped me to re-discover who I really am. I learnt new ways to cope instead of using the bad habit as a way out. I make my own choices now, have a wonderful new way of living my life. I recommend Kate to anyone trying to get back on track. This really is a no-brainer if you want to walk away from pain and destruction to start a new way of life.
